The 2008 Region 2 Gymnastics Championships is fast approaching! As your host gym, we are making every effort to ensure that this event will be a positive and memorable experience for everyone, particularly for our competing gymnasts. In the spirit of celebrating our extraordinary athletes, we are featuring Region 2 gymnasts in the commemorative Program which will be available for purchase at the event. We are currently accepting photo submissions from all participating gyms. Approximately 10 photos will be selected and will be displayed throughout the program (exact placement of gymnast photos will be determined based on the final layout of the program; front and back cover placement is not guaranteed).
