judges and business leaders led by many of the leading authorities in the entire world, and will provide opportunities that are second to none in a

regional congress.

Why is this the Congress you will want to take your entire staff to? Multiple sessions for Pre-school, Recreational, Cheer, Business, Developmental, Competitive boys and girls, Judging and more! Many clubs send 1 or 2 people to National congress, and usually they are the competitive coaches... they can only attend one session at a time, and we all know that bringing back info and trying to share it is never as good as having your staff see it first

hand... Now for the cost of sending 2 people to California, you can bring 15 to Spokane for a chance to really make a difference in your programs! Here are just **some** of the unparalleled clinicians who will **tentatively** be on hand!

**Steve Greeley— Imagymnation!** Perhaps the country's top preschool, class and motivational presenter!

**Jeff Metzger**—Without question, the world leader in gymnastics business education!

**Todd Gardiner**—One of the USA's top coaches, Todd is a national team coach and gym owner, and is one of the top bars and vault coaches in the country!

**Frank Sahlein**—An industry leader in business solutions for the gym owner!

**Bill Sands**—Head of USOC Sports Science Department

**Linda Mulvihill**—3 time Olympic gymnast and 4 time Olympic judge! USA's highest rated judge.

**David Holcomb**—Owner of Buckeye Gymnastics. Member of the USAG board and 2007 USAG Businessman of the Year!

**Linda Thorberg**—Brevet Judge, master pre-school clinician and so much more! She will also be teaching a H.O.T. course, the follow-up to the KAT program!

**Hideo Mizoguchi**—Teacher extraordinaire! Long time director of the USAG Junior Men's program, and one of the USA's top coaches!

**Connie Maloney**—USAG Women's Program Manager and Brevet judge
